

**UrbanVolt  
Terms and Conditions of Offer  
October 2016**

1. If you are interested in this offer then contact Bord Gáis Energy. We will pass your details to the UrbanVolt Business Development Team.
2. UrbanVolt will assess the customer's suitability for their service based on a few quick questions. If the customer is deemed suitable by UrbanVolt for their service, and the terms are agreeable to all parties, then the customer will enter into a contract with UrbanVolt for its service.
3. Bord Gáis Energy has no liability for the UrbanVolt service.
4. If the customer does not meet the qualifying criteria for UrbanVolt's service, then they will refer the customer back to Bord Gáis Energy who will explore other options with the customer.
5. Bord Gáis Energy receives energy credits from successfully completed installations.
